

ORDER ONLINE

**Avoid having to come in
or waiting for your order!**

- 1 Download our app, available on Iphone and Android or go to hightechburrito.com and click on online ordering
- 2 Choose your store for pickup
- 3 Place your food order and pay
- 4 When you get here, head straight for the pickup counter to get your order or call us and we will bring it out to your car

You can still call in your order if you like. You can pay with a card over the phone and follow step 4 or if you want to pay during pick-up you can.

Of course you can also walk in and order takeout like always.

For delivery order through DoorDash, Uber Eats or Grubhub

Thank you and stay safe!
